COMMITMENT TO OUR DONORS

Our mission is to empower those most vulnerable to abortion to choose life. Speaking the truth in love, we are guided by our core values of respect, integrity, and excellence in all that we do. Your generosity and partnership enable us to accomplish that mission. Because your trust is extremely important to us, we are audited annually and have earned the *Platinum Seal of Transparency* from *Guidestar*, the world's largest source of information on nonprofit organizations. We maintain specific standards of financial accountability outlined by the ECFA. And because we value your investment in our work, we make the following seven commitments to all of you who pray, volunteer and give to support our mission. We'd love to connect with you more personally. Please feel free to drop by one of our four locations soon.
