Reaching and Serving Clients

- Pray for our advertising strategies to be effective so that clients will find us and call.
- Pray for our ads that are created by Liliana Grace Marketing and others from Vision for Life. These ads are seen online and on facebook. Pray for these ads to be seen by those who most need our services.
- The number of calls and client appointments is steadily increasing. Praise God for His faithfulness. Pray for each phone call—we have only a few short seconds to make an impression and reach abortion vulnerable callers.
- Pray for the clients who have a positive pregnancy test and are considering abortion. Pray that they will have open hearts, open ears, and open eyes to see the truth.
- Pray for the clients with a negative test to reconsider their sexual behavior.
- Pray for the clients with a positive STD result. This can be life altering news. Pray for our staff to effectively speak into their lives with hope and support
- Pray for the clients with a negative STD result. This can be the perfect time to present a challenge to choose a new direction or to present the Gospel.
