

Who We Are

Every day, abortion threatens thousands of tiny babies. Their mothers face overwhelming circumstances and enormous pressure, fear, and uncertainty. Women's Choice Network empowers those most vulnerable to abortion to choose life. Since 1985, our centers have provided pregnancy testing, ultrasounds, STD testing and treatment, medical consultations, and ongoing Life Support services to our clients, all at no cost to them thanks to generous support from churches and individuals. Our centers in Monroeville, Oakland, and the North Side are staffed by RNs and RDMS sonographers and overseen by medical directors. Each year we serve more than 1,000 clients and, on average, we can save one baby every day.

10 Ideas

to Build a Culture of Life in Your Church

These impactful strategies have been proven to save lives and transform families.

Church Wide Ideas

01

Host a Baby Bottle Campaign to support our clients. 100% of the funds raised through a baby bottle campaign go directly to serve our clients. We supply everything you need! We deliver and pick-up the bottles, count the donations, and communicate the total.

Contact Amym@womenschoicenet.com

02

Encourage your members to volunteer with Women's Choice Network. Go to mypregnancycenter.org and click "Get Involved" for more information.

03

Hold a training to get men from your church involved in guiding and mentoring young fathers. The father of the baby is usually the most influential voice in a pregnant woman's life. We get men off the sidelines and into the game. Contact Davidm@womenschoicenet.com

04

Be a part of our annual Christmas Toy Drive, collect baby care gear throughout the year, or collect items that we can use to pack mom, dad, or baby care bags. Your church can bless a young family and help share the Gospel of Jesus Christ with them. Contact partnerservices@womenschoicenet.com soon to learn more.

Women's Ministry Ideas

05

Support our children's resale boutique, The Nest. Shop there, gather some moms and grandmas from your church and schedule a Tea and Tour event, donate new or gently used children's clothing, or serve for a day. Call Lynne at 412-745-NEST or email us at thenest@womenschoicenet.com

06

Launch a BREATHE: Post-Abortion Healing Group. There are women and men in your church pews who have experienced a past abortion. Open up an opportunity for healing, forgiveness, and care with experienced facilitators. Contact Jessica at jessicap@womenschoicenet.com

Children and Student Ministry Ideas

07

Use our downloadable REAL TALK Relationship Education Series for teens, to teach them about healthy relationships. Available at Essentialspeakers.com, there are 10 short videos with worksheets and discussion questions. For a preview, contact Laurad@womenschoicenet.com

08

Plan a children's message using some of the unique ideas found on the "Resources for Churches" tab of our website: mypregnancycenter.org

Small Group Ideas

09

Sponsor a table at our Annual Fall Fundraising Banquet and invite your group to attend. Be inspired, encouraged, and equipped at this centerpiece event. Contact Elenas@partnerservices.com

10

Order the "Courageously Pro-Life" Bible study curriculum for your adult or teen small group study. Use Code WCNPITTSBURGH at <https://www.sarahmbowen.com/courageously-pro-life-curriculum>
